(vargan) with special wooden box, one of the kind

Unique collector's Item, Jaw Harp (vargan) made out of fork:)

Ghost Catcher - advanced mouth bow. It is kind of mouth bow, but

unlike other mouth bows it have little fingerboard and 2 strings, so its

possible to play melodies on it!

This model of the Ghost Catcher is covered with

symbols believed to be a protection by hunting the ghosts

on two sides of the instrument and presenting a

mosquito on its third side.
