Customer designs are available by request.

Sound Sample:

Features:

- **Five instruments in one: four fujaras (C,D,A,G) and one overtone flute in A!**
- Extremely maneuverable. The hose gives you possibility to use kalyuka technique
- Very well tuned in western concert tempered tuning
- Collapsible (no hassle during transportation)
- Extremely light
- Professional quality of sound
- Looks beautiful!

- The holes are close together so you can use different fingering and apply the techniques from other flutes (see video for details)
- Very easy to play, everybody can start playing right away!

- Highly durable, made from PVC
- Cheapest futujara ever!
- UNIQUE: **not present on a market anywhere else!**

The length of futujara in collapsed mode - 107 cm
 in assembled mode with longest G tube - 174 cm
 in assembled mode with shortest D tube - 116 cm

Futujara set includes:

- 1 x main tube
- 1 x C playing tube
- 1 x D playing tube
- 1 x A playing tube
- 1 x G playing tube
- fingering charts
- mouthpiece (for traditional style of playing)
- hose

Some important details for the care and fine tuning of your futujara:

- - There is a little piece above the window on the top of your futujara, you can shift it up and down. Use this part to fine tune the sound of your futujara, you are going to see, it changes a lot.
- - After playing you should also take off the hose or the little mouthpiece depending on what you used, to let them dry.
